

We are THE Go-Kart Tire Store

FPX is "The Tire Store" for concession go-kart tires. We carry every major brand in the most popular sizes.

We stock so many tires we had to open up another warehouse on the east coast! That's right, we have a warehouse in Atlanta, Georgia and one at our headquarters in Salem, Oregon! What's that mean to you? It means you get the tires you need *FAST and shipped for less!*
